Subject:

Approved Budget for Fiscal Year Ending December 31, 2017

In accordance with California Civil Code 5300(b), enclosed is a copy of the approved fiscal year budget effective January 1, 2017 plus various disclosures.

After thoughtful review and consideration, the Board of Directors has approved a budget for the fiscal year ending December 31, 2017, which it believes is reasonable and prudent to meet the funding needs of the association. As a result of this review, the Board has determined that the current level of assessments is sufficient to maintain the financial integrity of your Association and to meet the ongoing maintenance costs for the operation of the community.

THEREFORE, EFFECTIVE JANUARY 1, 2017, THE ASSESSMENT WILL REMAIN THE SAME AT \$310.00 PER UNIT PER MONTH.

As required by California law, the Board of Directors had a reserve study performed for the major capital components in 2016. The Board contracted with Association Reserves to provide the report. The replacement-funding program reflects assumptions about future events based on manufacturer's specifications, information from subcontractors, construction pricing and scheduling manuals and the reserve company's experience. These were used to calculate and establish the reserve amounts needed to defray the future repairs, replacement or additions to the components that the association is obligated to maintain. At the end of the current fiscal year, the association reserves are projected to be funded 78% of the required amount. A summary of the reserve report is enclosed; a copy of the entire report is available from Amber Property Management. Copying and postage fees apply.

Special Assessment - The Board of Directors does not, at this time, anticipate the need to levy a special assessment for planned expenditures, however, it reserves the right in accordance with California Civil Code to approve a special assessment for unplanned major expenses, if necessary, in the upcoming fiscal year.

Association assessments are due and payable on the first day of the month and are delinquent if the Association has not received payment by the thirtieth (30th) day of the month. A courtesy statement is sent to each Homeowner on a monthly basis, as a reminder of the assessment due. Homeowners are obligated by law to tender payment of the assessment in a timely manner, even if the courtesy statement is lost in the mail, or somehow is never received at the mailing address. The Assessment Collections Policy for your association is enclosed.

Also, included, as required by California State Law, is a copy of Civil Code Section 5920, known as the Internal Dispute Resolution and Civil Code Section 5965, known as the Alternative Dispute Resolution. Both of which require that certain types of disputes between Associations and the Membership, provide for an independent forum to resolve the dispute before filing of a lawsuit by any party.

Effective January 1, 1996 The California Civil Code was amended to require the Association to prepare and distribute summaries of certain insurance policies carried by the Association. A summary of the Association's Property and General Liability policies are enclosed.

Notice of Board Minutes Access - Members of the Association are hereby advised that in addition to the information required by law, minutes or summary minutes of the meetings of the Board of Directors are available to any member upon written request and with the submission of payment for the cost of distribution.

Secondary Address Notification Request - Upon receipt of a written request by an owner identifying a secondary address for purposes of collection notices, the association shall send additional copies of any legally required notices to the secondary address provided. The owner's request shall be in writing and shall be mailed to the association in a manner that shall indicate the association has received it. The owner may identify or change a secondary address at any time, provided that, if a secondary address is identified or changed during the collection process, the association shall only be required to send notices to the indicated secondary address from the point the association receives the request.

Financial Statement Notice - A review of the financial statement of the association shall be prepared in accordance with generally accepted accounting principles by a licensee of the California Board of Accountancy for any fiscal year in which the gross income to the association exceeds seventy-five thousand dollars (\$75,000). A copy of the review of the financial statement shall be distributed within 120 days after the close of each fiscal year.

SECURITY DISCLAIMER. As much as we would like it to be, the Association can never be free of crime. For example, it is possible for someone to enter the property under false pretenses to commit crimes, for residents to commit crimes against their neighbors, for guests of residents to commit crimes, and for employees to commit crimes. As a result, the Association is not and can never be free of crime and cannot guarantee your safety or security. You should NOT rely on the Association to protect you from loss or harm-you should provide for your own security by taking common sense precautions such as carrying insurance against loss; keeping your doors locked; refusing to open your door to strangers; installing a peep hole in your front door; asking workmen for identification; installing a security system; locking your car; etc.

It is suggested that you keep these reports with all other documents pertaining to your home, as you may be required to show it to any prospective buyer of your property.

Respectfully,

The Crystal Cay Condominium Association Board of Directors

DISTRIBUTION OF WRITTEN NOTICE OF ASSESSMENTS, FORECLOSURE, AND PAYMENT PLANS CIVIL CODE 5730

NOTICE ASSESSMENTS AND FORECLOSURE

This notice outlines some of the rights and responsibilities of owners of property in common interest developments and the associations that manage them. Please refer to the sections of the Civil Code indicated for further information. A portion of the information in this notice applies only to liens recorded on or after January 1, 2003. You may wish to consult a lawyer if you dispute an assessment.

ASSESSMENTS AND FORECLOSURE

Assessments become delinquent 15 days after they are due, unless the governing documents provide for a longer time. The failure to pay association assessments may result in the loss of an owner's property through foreclosure. Foreclosure may occur either as a result of a court action, known as judicial foreclosure or without court action, often referred to as nonjudicial foreclosure. For liens recorded on and after January 1, 2006, an association may not use judicial or nonjudicial foreclosure to enforce that lien if the amount of the delinquent assessments or dues, exclusive of any accelerated assessments, late charges, fees, attorney's fees, interest, and costs of collection, is less than one thousand eight hundred dollars (\$1,800). For delinquent assessments or dues in excess of one thousand eight hundred dollars (\$1,800) or more than 12 months delinquent, an association may use judicial or nonjudicial foreclosure subject to the conditions set forth in Article 3 (commencing with section 5700) of Chapter 8 of Part 5 of Division 4 of the Civil Code. When using judicial or nonjudicial foreclosure, the association records a lien on the owner's property. The owner's property may be sold to satisfy the lien if the amounts secured by the lien are not paid. (Section 5700 through 5720 the Civil Code, inclusive)

In a judicial or nonjudicial foreclosure, the association may recover assessments, reasonable costs of collection, reasonable attorney's fees, late charges, and interest. The association may not use nonjudicial foreclosure to collect fines or penalties, except for costs to repair common areas damaged by a member or a member's guests, if the governing documents provide for this. (Section 5725 of the Civil Code)

The association must comply with the requirements Article 2 (commencing with section 5650 of Chapter 8 of Part 5 of Division 4 of the Civil Code when collecting delinquent assessments. If the association fails to follow these requirements, it may not record a lien on the owner's property until it has satisfied those requirements. Any additional costs that result from satisfying the requirements are the responsibility of the association. (Section 5675 of the Civil Code)

At least 30 days prior to recording a lien on an owner's separate interest, the association must provide the owner of record with certain documents by certified mail, including a description of its collection and lien enforcement procedures and the method of calculating the amount. It must also provide an itemized statement of the charges owed by the owner. An owner has a right to review the association's records to verify the debt. (Section 5660 of the Civil Code)

Notice of Assessments and Foreclosure Continued...

If a lien is recorded against an owner's property in error, the person who recorded the lien is required to record a lien release within 21 days, and to provide an owner certain documents in this regard. (Section 5685 of the Civil Code)

The collection practices of the association may be governed by state and federal laws regarding fair debt collection. Penalties can be imposed for debt collection practices that violate these laws.

PAYMENTS

When an owner makes a payment, he or she may request a receipt, and the association is required to provide it. On the receipt, the association must indicate the date of payment and the person who received it. The association must inform owners of a mailing address for overnight payments. (Section 5655 of the Civil Code)

An owner may dispute an assessment debt by submitting a written request for dispute resolution to the association as set forth in Article 2 (commencing with Section 5900) of Chapter 10 of Part 5 of Division 4 of the Civil Code. In addition, an association may not initiate a foreclosure without participating in alternative dispute resolution with a neutral third party as set forth in Article 3 (commencing with Section 5925) of Chapter 10 of Part 5 of Division 4 of the Civil Code, if so requested by the owner. Binding arbitration shall not be available if the association intends to initiate a judicial foreclosure.

An owner is not liable for charges, interest, and costs of collection, if it is established that the assessment was paid properly on time. (Section 5685 of the Civil Code)

MEETINGS AND PAYMENT PLANS

An owner of a separate interest that is not a timeshare may request the association to consider a payment plan to satisfy a delinquent assessment. The association must inform owners of the standards for payment plans, if any exist. (Section 5665 of the Civil Code)

The board of directors must meet with an owner who makes a proper written request for a meeting to discuss a payment plan when the owner has received a notice of a delinquent assessment. These payment plans must conform with the payment plan standards of the association, if they exist. (Section 5665 of the Civil Code)

Most Recent Budgeted Reserve Contribution Rate:.....\$41,898

Economic Assumptions:

- This is an "Update With-Site-Visit" Reserve Study, based on a prior Report prepared by Association Reserves for your 2016 Fiscal Year.
 We performed our on-site inspection on September 29, 2016. This Report was prepared by a credentialed Reserve Specialist (RS).
- The Reserve Fund is 78% Funded which is a strong position. This
 means the association's special assessment & deferred maintenance
 risk is currently low. The objective of your multi-year Funding Plan is
 to <u>Fully Fund</u> your Reserves, where associations enjoy a low risk of
 such Reserve cash flow problems.
- Based on this starting point, your anticipated future expenses, and your historical Reserve contribution rate, our recommendation is to maintain your Reserve contributions at \$41,898 until 2020. The contribution can then be lowered to \$35,800.

INTERNAL DISPUTE RESOLUTION CIVIL CODE 5900 through 5920

California Civil Code Sections 5900 through 5920 requires community associations and their homeowners to participate in some form of Internal Dispute Resolution ("IDR") prior to initiating certain types of disputes in superior court. An association shall provide a fair, reasonable, and expeditious procedure for resolving a dispute between an association and a member involving their rights, duties, or liabilities under the Davis-Stirling Common Interest Development Act, the Corporations Code or the association's governing documents. The IDR process supplements, and does not replace ADR.

Statutory dispute resolution procedure.

Either party to a dispute within the scope of California Civil Code Sections 5900 through 5920 may invoke the following procedure:

- A. The party may request the other party to meet and confer in an effort to resolve the dispute. The request shall be made in writing.
- B. A member of an association may refuse a request to meet and confer. An association may not refuse a request to meet and confer.
- C. The association's board of directors shall designate a member of the board to meet and confer.
 - D. The parties shall meet promptly at a mutually convenient time and place, explain their positions to each other, and confer in good faith in an effort to resolve the dispute.
 - E. A resolution of the dispute agreed to by the parties shall be memorialized in writing and signed by the parties, including the board designee on behalf of the association.
 - F. An agreement reached under this section binds the parties and is judicially enforceable if both of the following conditions are satisfied:
 - 1. The agreement is not in conflict with the law or the governing documents of the common interest development or association.
 - 2. The agreement is either consistent with the authority granted by the board of directors to its designee or the agreement is ratified by the board of directors.
 - G. A member of the Association may not be charged a fee to participate in the process.

Each homeowner should consult with his or her own attorney regarding appropriate compliance with the ADR and IDR statutes.

ALTERNATIVE DISPUTE RESOLUTION CIVIL CODE 5925 through 5965

California Civil Code Sections 5925 through 5965 requires community associations and their homeowners to offer to participate in some form of Alternative Dispute Resolution ("ADR") prior to initiating certain types of lawsuits in superior court. ADR means mediation, arbitration, negotiation, conciliation, or other non-judicial procedure that involves a neutral party in the decision making process. ADR may either be binding or non-binding, with the voluntary consent of the parties. This provision does not apply to the filing of cross complaints.

ADR required prior to filing an enforcement action.

An association, owner or member of an association may not file an enforcement action in the superior court unless the parties have endeavored to submit their dispute to ADR. The ADR requirement applies only to an enforcement action that is solely for declaratory, injunctive or writ relief, or for that relief in conjunction with a claim for monetary damages under \$5,000.00 or for enforcing the Davis-Stirling Common Interest Development Act, the Corporations Code or association's governing documents.

It is not necessary to offer ADR prior to filing any type of small claims action. Except as otherwise provided by law, the ADR requirement does **not** apply to an assessment dispute.

Service of Request for Resolution.

Any party to a dispute may initiate the ADR process by serving on all other parties to the dispute a Request for Resolution, which shall include the following:

- A. A brief description of the dispute between the parties.
- B. A request for ADR.
- C. A notice that the party receiving the Request of Resolution is required to respond within 30 days of receipt or the request will be deemed rejected.
- D. If the party on whom the request is served is the owner of a separate interest, a copy Civil Code Sections 5925 through 5965

Service of the Request for Resolution shall be by personal delivery, first-class mail, express mail, facsimile transmission, or other means reasonably calculated to provide the party on whom the request is served actual notice of the request. A party on whom a Request for Resolution is served has 30 days following service to accept or reject the request. If a party does not accept the request within that period, the request is deemed rejected by the party.

Completion of resolution process within 90 days.

If the party on whom a Request for Resolution is served accepts the request, the parties shall complete the ADR within 90 days after the party initiating the request receives the acceptance, unless the period is extended by written stipulation signed by both parties. The cost of ADR shall be borne by the parties.

Filing certification of compliance.

If a civil suit is filed, the filing party must submit to the court a certificate of compliance indicating the party has complied with the requirements of Sections 5925 through 5965. Failing to do so will be grounds for challenging the lawsuit.

Court discretion in awarding fees and costs based upon participation in ADR.

In an enforcement action in which fees and costs may be awarded pursuant to subdivision (c) of Section 5975, the court, in determining the amount of the award, may consider whether a party's refusal to participate in ADR before commencement of the action was reasonable.

"Failure of a member of the Association to comply with the alternative dispute resolution requirements of Section 5930 of the Civil Code may result in the loss of your right to sue the association or another member of the association regarding enforcement of the governing documents or the applicable law."
